We do not perform cash sales on our stand.

We perform cash sales subject to the following conditions:

### Sales and Distribution

Cash sales are permitted of the following items only: accessories such as watches, bags, model cars, clothing etc., labelled with company logos, and also subscriptions, paid memberships, and mobile phone and credit card contracts. Revenues from other services provided, e.g. flight simulators, are also covered by these conditions. Dangerous tools (e.g. hunting knives) and flying objects (such as drones, multicopters) are not allowed, neither in halls nor on the open-air site.

### Scope of Sale and Advertising

**Exhibitors may sell and advertise items only at their own booth.** Spectacular advertising is not allowed. The external appearance and scope of sales must be appropriate. Prices have to be displayed (according to "Preisangabenverordnung/PAngV"). Products of model car manufacturers represented at the IAA (list available upon request) may not be sold. However, this does not apply if the exhibitor submits a declaration from the model car manufacturer in question to the VDA.

### Concession Fee

Sales on stands are subject to a basic fee of 950.00 € plus VAT (value added tax) for each stand to be paid to the VDA before the IAA commences. The invoice will be sent immediately on receipt of the form.

### Non-Adherence

If the above conditions are not adhered to, the VDA is entitled to terminate sales on stands immediately. The VDA reserves the right to claim damages in such cases.

### Data protection

Your data will be processed as part of the performance of the contract between you and the VDA (Art. 6(1)(b) GDPR). More information can be found [here](#).
