---

We would like to offer test drives throughout the whole IAA (19 - 25.09.2022).

We would like to offer test drives only on the following days of the fair:

---

---

For test drives we need a power connection for the following vehicles with the following specifications (connection type & power in kW):

---

---

**Please note:** Power connections must be booked for a fee via the "Exhibitor Shop". Exhibitors must bring their own charging infrastructure.

The services offered will be provided by VDA after full payment before the start of the IAA TRANSPORTATION 2022.

Place, date

Signature, company stamp

## **Limitation of liability for test drives as part of IAA TRANSPORTATION**

The VDA does not accept any liability whatsoever for damage to property or personal injury suffered by the exhibitor as a result of a technical defect in the vehicle and/or from an error on the part of the visitor driving the vehicle, the driver provided and instructed by the exhibitor, or by a driver from an external agency, at any time during a test and/or shuttle drive on the IAA TRANSPORTATION grounds and/or the city drive, intercity drive or motorway drive. The VDA only makes the exhibition area available to the exhibitor on the exhibition grounds and at the Open Space for conducting test drives at the exhibitor's own responsibility. In the event that the participating visitor (third party) suffers damage due to a technical defect in the vehicle and/or due to an error on the part of the visitor driving the vehicle the driver provided and instructed by the exhibitor, or by a driver from an external agency, at any time during a test and/or shuttle drive on the IAA Mobility grounds and/or the city drive, intercity drive or motorway drive, the exhibitor undertakes to indemnify the VDA against claims of any legal nature brought by the third party. Furthermore, VDA shall be reimbursed for all legal costs arising from the defence of any such claims. Furthermore, the applicable road traffic regulations must be complied with. In all other respects, the [exhibition conditions](#) apply.

Analogue to previous events, we will not be setting up a physical registration stand for interested visitors. Meeting customers at the arrival and departure points and completing the necessary formalities (incl. insurance, checking driving licence, fitness to drive, ride-sharing tickets, etc.) will take place at your own stand and the test drives will be conducted at your own risk. As an exhibitor, you are free to decide whether visitors drive themselves or experience the test drive as a passenger.

Participating visitors must sign a waiver of liability vis-à-vis the exhibitor (to be provided by the exhibitor — please send us your form in advance of the IAA TRANSPORTATION by August 19, 2022 at the latest) and provide proof that they hold a valid driving licence (if they will be driving themselves). The exhibitor shall be responsible for ascertaining that the visitor is able and in condition to drive the vehicle themselves. A person familiar with the vehicle must be present in the front passenger seat at all times during test drives. Please also be aware that test vehicles used must have appropriate insurance cover and be approved for use on public roads.
