

IAA Packages

Minimal input for maximum effect!

Offer for Stand Packages at IAA TRANSPORTATION 2024

With the IAA Packages we can supply a fully assembled stand, basic facilities, stand cleaning and if you wish catering services. This support will reduce your preparational work before and during the show to a minimum, enabling you to concentrate on the things that matter most: making new contacts, conducting negotiations and concluding deals.

Choose between the IAA Packages BASIC, BASIC COLOR, COMFORT und PREMIUM. With their different stand constructions, the IAA Packages provide the perfect solution. Our system stands and the individual upgrade options are characterized by minimal CO2 emissions. New: less residual materials due to even more recyclable components. Your stand will have your company logo, the necessary basic equipment and supply. We provide professional support and ensure that everything runs smoothly.
