CONFERENCE PROGRAM

SEPTEMBER 20 — 23, 2022

SEPTEMBER 20 — FUTURE OF LOGISTICS & OPENING

MAIN STAGE » Hall 18		
10.00 – 11.00 am	Opening Ceremony Hildegard Müller (President, German Association of the Automotive Industry), Belit Onay (Mayor and CEO of the City of Hanover), Stephan Weil (Minister President of Lower Saxony)	GER
11.15 – 11.30 am	Keynote Electrifying Commercial Vehicles Alexander Vlaskamp (CEO, MAN Truck & Bus)	EN
11.30 – 11.45 am	Keynote Future of Logistics Bernd Althusmann (Minister for Economy, Labour, Transport and Digitisation)	GER
11.45 am – 12.00 pm	Keynote Powertrains for Heavy Duty Transport — Batteries, Hydrogen, Bio-fuels Dr. Gerrit Marx (CEO, Iveco Group)	EN
1.00 – 1.15 pm	Keynote Five Theses for Future Logistics Martin Daum (CEO, Daimler Trucks)	EN
1.15 – 1.30 pm	Keynote Boosting efficiency through innovations Andreas Schmitz (CEO, Schmitz Cargobull)	EN
1.30 – 1.45 pm	Keynote Future of Transportation Travis Katz (CEO and President, BrightDrop)	EN
2.00 – 2.45 pm	Discussion Freight Forwarder – between near future Challenges and long term strategies (curated by DSLV) Andre Kranke (Head of Corporate Research & Development, Dachser), Stef Cornelis (Director Deutschland, Transport & Environment), Johannes Wiczorek (Leiter der Abteilung „Klimaschutz in der Mobilität, Umweltschutz,“, Bundesministerium für Digitales und Verkehr), Mod: Frank Huster (Director General, DSLV)	GER
3.00 – 3.20 pm	Sponsored Keynote (by Ericsson) Johannes Schygge (Head of Automotive Marketing, Ericsson)	EN
3.30 – 3.45 pm	Keynote The role of a trailer OEM Dr. Stefan Binnewies (COO, Bernard Krone Holding SE & Co.KG)	EN
3.45 – 4.00 pm	Keynote Accelerating the electrification of heavy-duty road transport Anja van Niersen (CEO, CV Charging Europe)	EN
4.00 – 4.15 pm	Keynote Hydrogen Now Michael Lohscheller (President, Nikola Motor)	EN
4.30 – 5.15 pm	Discussion Hydrogen and/or Electrification — The Future of Transportation Asher Bennett (Founder & CEO, Tevva Hydrogen Electric Trucks), Dr. Gregor Wiche (CTO Product & Production Technology, Voith Turbo), Essa Al-Saleh (CEO, Volta Trucks), Matthias Zink (CEO Automotive Technologies, Schaeffler), Mod.: Andy Salter (Managing Editor, UK Transport Press)	EN
5.30 – 5.45 pm	Keynote Powertrain solutions for future transportation Jürgen Häusser (Vice President, Product Management Commercial Vehicle & Off-Road Robert Bosch GmbH)	EN

INDUSTRY FORUM » Hall 13		
12.00 – 12.30 pm	Fuel-Cell Technology for Trucks cellcentric	EN
12.45 – 1.15 pm	How the Hydrogen Ecosystem is being structured to accelerate Hydrogen Mobility for Commercial Vehicles? FORVIA	EN
1.30 – 2.00 pm	Strategic Partnerships to develop Hydrogen Technology for Heavy Mobility FORVIA	EN
2.15 – 3.15 pm	How to manage the operational Challenges of multi-brand Commercial EV Fleets Robert Bosch GmbH	EN
3.30 – 4.00 pm	Autonomous Commercial Vehicles in confined Areas Embotech	EN
4.15 – 4.45 pm	Wie kann die elektronische Mauterhebung Spediteuren helfen, ihre Fahrten zu vereinfachen und Geld zu sparen? Entdecken Sie Lösungen von Axxés. Axxés	GER

SEPTEMBER 21 — TRADE AND LOGISTICS

MAIN STAGE » Hall 18		
10.00 – 10.30 am	Keynote + Q&A Future of Global Trade and Logistics Frank Appel (CEO, Deutsche Post DHL Group)	EN
10.30 – 10.45 am	Keynote Pioneering a new era of Road Freight Robert Falck (Founder & CEO, Einride)	EN
11.00 – 11.45 am	Discussion Sustainability in Logistics is more than just Carbon Neutrality Kurk Wilks (President & CEO, MANN + HUMMEL), Peter Harris (Vice President International Sustainability, UPS), Johannes F.D. Hill (Head of Global Business Development), Marcel Minter (Senior Manager Product and Business Strategy, Mercedes Benz Vans), Mod.: Sebastian Reimann (Chief Editor, DVZ)	EN
12.00 – 12.45 pm	Discussion The Last Mile Challenges (curated by BCG) Andreas Adam (Head of Vehicle Line ID. Buzz, Volkswagen Commercial Vehicles), Tom Elvidge (EVP of Vehicle Programmes, Arrival), Clemens Koebele (General Manager, Gorillas), Sebastian Kempf (AbtL Fuhrparkmanagement, Deutsch Post), Mod.: Dr.-Ing. Peter Wiedenhoff (Managing Director and Partner, BCG)	EN
1.45 – 2.30 pm	Discussion Autonomous Logistics – roadmap to the next generation of transportation Daniel Laury (CEO & Co-Founder, Udelv), Serkan Arslan (SVP Business and Partner Development, Apex.AI), Robert Ziegler (General Manager Europe, Einride), Karthik Krishnan (Worldwide Head Automotive, Amazon Web Services), Dr. Andree Hohm (Head of Autonomous Driving Program, Continental), Mod.: Sebastian Reimann (Chief Editor, DVZ)	EN
2.45 – 3.05 pm	Sponsored Keynote (by Plus) Shawn Kerrigan (COO and Co-Founder of Plus)	EN
3.15 – 4.00 pm	Discussion Transport Supply System Resiliency: The Impact of Global Infaltion (curated by WEF) Katharina Tomoff (SVP Global Operations, DHL Supply Chain), Detlev Mohr (Senior Partner, McKinsey), Sven Gailus (Managing Director Strategy Office, Hapag-Lloyd AG), Mod.: Margi Van Gogh (Head of Supply Chain & Transport, WEF)	EN
4.15 – 5.00 pm	Discussion Commercial and Heavy Vehicle Safety: On the Way to Vision Zero (curated by NCAP) Jessica Truong (Towards Zero Foundation), Walter Nissler (United Nations Economic Commission for Europe), Christian Brenneke (ZF), Matthew Avery (Thatcham Research), Gabriel Kardos (Johnson & Johnson, Network of Employees for Traffic Safety), Claes Tingvall (Professor and Road Safety Expert)	EN
5.15 – 5.30 pm	Keynote Solutions for a connected and CO2 neutral mobility Philip Ostbomk (Vice President, Michelin Europe North)	EN
5.30 – 5.45 pm	Keynote How connectivity and sustainability are enabling safer and more efficient mobility Grégory Boucharlat (Vice President Commercial Europe, The Goodyear Tire & Rubber Company)	EN
5.45 – 6.00 pm	Keynote Future of Air Cargo Dorothea von Boxberg (CEO, Lufthansa Cargo)	EN

INDUSTRY FORUM » Hall 13		
10.00 – 11.00 am	Last Mile Panels and Keynotes	EN
11.15 am – 12.15 pm	Transformation und Digitalisierung in der Nfz-Branche. Welche Chancen OEM's und Zulieferer im Wandel sehen. HUSS-VERLAG	GER
1.15 – 5.30 pm	Last Mile Panels and Keynotes	EN

SEPTEMBER 22 — INFRASTRUCTURE

MAIN STAGE » Hall 18		
9.45 – 10.00 – 10.45 am	Discussion Charging and hydrogen infrastructure for commercial vehicles – can we really do it that quickly? (curated by BDEW) <i>Andrees Gentzsch</i> (Member of the Executive Board, BDEW), <i>Stephan Krenz</i> (Chairman of the Management Board, Die Autobahn), <i>Dr.-Ing. Andreas Janssen</i> (Head of Hydrogen Mobility Europe, Renewables & Energy Solutions, Shell), <i>Bastian Pfarrherr</i> (Leiter Innovationsmanagement, Stromnetz Hamburg), <i>Mod.: Mira Schirrmeister</i> (BDEW)	GER
11.00 – 11.20 am	Sponsored Keynote (by Air Products) <i>Caroline Stancell</i> (General Manager for Hydrogen for Mobility Europe and Africa, Air Products)	EN
11.30 am – 12.00 pm	Inspirational Presentation Global Digitization in Logistics <i>Mariella Minutolo</i> (Executive VP, Progressive Mobility Players, Robert Bosch GmbH), <i>John McFall</i> (Head of Supply Chain, Transportation & Logistics Practice, Amazon Web Services), <i>Thiagarajan Varadharaju</i> (Managing Director, KT Telematic Solution Private Limited & Director, KT Motors Private Limited), <i>Swen Postels</i> (Partner Development Manager, Leader, Amazon Web Service (AWS))	EN
12.15 – 1.00 pm	Discussion Combined Transport: Moving Goods together (Curated by BCG) <i>Dr. Anders Berger</i> (Director Public Affairs, Volvo), <i>Rainer Gödde</i> (Managing Director, TFG Transfracht), <i>Nicolas Albrecht</i> (CEO & Executive Board Member, CargoBeamer AG), <i>Mod.: Dr Peter Ullrich</i> (Managing Director und Partner, BCG)	EN
2.00 – 2.45 pm	Discussion Diversification in the fuel sector – but future-proof: what could the energy supply of the future look like? <i>Alexandru Eftimiu</i> (VP Fleet Business Europe, bp), <i>Dr. Susanne Goldammer</i> (CEO, Linde Hydrogen Fueltech), <i>Christian Hallelov</i> (Head of eTransport, E.ON SE), <i>Roel Vissers</i> (Director Partnerships and Public Affairs, CV Charging), <i>Mod.: Andy Salter</i> (Managing Editor, UK Transport Press)	EN
3.00 – 3.20 pm	Keynote Megawatt Charging System for Heavy Commercial Vehicles <i>Markus Mildner</i> (CEO eMobility, Siemens Smart Infrastructure)	EN
3.30 – 3.45 pm	Keynote On the road to carbon neutral: renewable fuels as a decarbonization alternative <i>Jörg Hübeler</i> (Head of Market Development, Neste)	EN
3.45 – 4.00 pm	Keynote Fleet charging in the logistics and inner-city transportation industry <i>Sebastian Ewert</i> (CEO and founder, MAHLE chargeBIG GmbH)	EN
4.00 – 4.15 pm	Keynote Why solar is the next big wave in transportation <i>Lars Löhle</i> (Head of Product, Sono Motors)	EN
4.30 – 5.15 pm	Discussion Fuels and Infrastructure for the ZEV Transition – what does the future hold? (curated by WEF & CALSTART/Drive to Zero) <i>Patricia Chong</i> (Program Director Clean Technology, Ballard), <i>Andreas Follér</i> (Head of Sustainability, Scania), <i>Sandor Darretta</i> (Manager Global Segment E-Truck, ABB E-mobility), <i>Julia Heil</i> (Head of Logistics & Service Decarbonisation, Maers), <i>Claus Andersen</i> (Deputy Permanent Secretary of Transportation Ministry, Denmark), <i>Mod.: Angie Farrag-Thibault</i> (Industry Decarbonization Manager, WEF)	EN

INDUSTRY FORUM » Hall 13		
9.45 – 10.15 am	Empowering Batteries by Cloud Monitoring: Enhance Safety and Sustainability <i>ACCURE Battery Intelligence GmbH</i>	EN
10.30 – 11.00 am	Accelerating the Net Zero Fleet Transition with automated Charge Management <i>PANION ABB eMobility Digital Venture</i>	EN
11.15 am – 12.15 pm	Energie- und Kostenmanagement für die Nfz-Branche. Wie umgehen mit Rohstoffmangel und explodierenden Preisen? <i>HUSS-VERLAG</i>	GER
1.30 – 3.30 pm	Startup Pitches	EN
3.45 – 4.15 pm	H2 HPDI: A Game Changer in the H2 Society <i>Westport Fuel Systems</i>	EN
4.30 – 5.00 pm	Mobilitython <i>prototype.club</i>	EN

SEPTEMBER 23 — MUNICIPAL TRANSPORT

MAIN STAGE » Hall 18		
9.30 – 9.50 am	Fireside Chat Hildegard Müller (President, German Association of the Automotive Industry), Ingo Wortmann (President, Association of German Transport Companies), Mod.: Carla Westerheide (Editor, DVZ)	GER
10.00 – 10.45 am	Discussion Zero Emission Mobility in Public Transport (curated by BCG) Gerd Schneider (Managing Director, Volvo Busses Germany), Christian Haas (CEO, PTV Group), Jan Lüdtko (General Manager DACH, Via), Dr. Tina Wagner (Head of Division Transport Development, Ministry of Transport and Mobility Transition Hamburg), Mod.: Nadja Glaeser (Project Leader, BCG)	EN
11.00 – 11.20 am	Keynote Das 9 Euro Ticket - Recap Eva Kreienkamp (Chairwoman of the Management Board, Berliner Verkehrsbetriebe (BVG))	GER
11.30 am – 12.15 pm	Discussion Digital connectivity – How does the public transport industry raise the data gold of the 2100th century? (curated by VDV) Anna-Theresa Korbutt (Managing Director, Hamburger Verkehrsbund (hvv)), Jörg Puzicha (Managing Director RMS & Mobilty Inside), Matthias Rust (Member of the Managing Board, IVU Traffic Technologies), Elke van Zadel (Chairwoman of the Managing Board, ÜSTRA), Mod.: Martin Schmitz (Geschäftsführer Technik, VDV)	GER
12.30 – 1.15 pm	Discussion Rural areas - growth market through climate protection Cary Buchholz (General Manager, Ludwigsburger Verkehrslinien, Ludwigsburg), Frank Wruck (General Manager, Barnimer Busgesellschaft mbH, Eberswalde), Bruno Ginnuth (Founder & CEO Clevershuttle, Berlin), Corinna Güllner (General Manager, OVAG Oberbergische Verkehrsgesellschaft mbH), Christoph Huber (Head of Sales Area Central und Geschäftsführer MAN Truck & Bus Deutschland GmbH), Mod.: Alexander Möller (Senior Advisor, Roland Berger)	GER
1.30 – 1.45 pm	Inspirational Keynote Last Step Florian Troesch (Head GLP Transit Management, Schindler)	EN
2.00 – 2.45 pm	Discussion City Planning of the Future — New Transport Concepts in Old cities? Dr. Olga Nevska (CEO, TelekomMobilitySolutions), Johann Jungwirth (SVP of Autonomous Vehicles, Mobileye), Martin Gruber (Managing Director, Jebsen & Jessen Solutions), Mod.: Carla Westerheide (Editor, DVZ)	EN

INDUSTRY FORUM » Hall 13		
9.30 – 9.50 am	Mobilitython prototype.club	EN
10.00 – 10.30 am	Safety at Every Turn: Leveraging General Safety Regulation (GSR) to protect Cyclists and Pedestrians within Municipal Transport Mobileye Germany	EN
10.45 am – 12.15 pm	Alternative Africa: Drivetrains and Resource Partnerships on the African Continent VDA, AAAM	EN
1.30 – 3.30 pm	Startup Pitches	EN
