components!

STAND CONSTRUCTION SOLUTIONS WITH A SYSTEM

2024

Event your business.

MODULAR STANDS – EASILY PLANNED, INDIVIDUALLY CUSTOMIZED, PERFECTLY COORDINATED!

Why should you go for a rental system stand? The advantages are obvious:

- The right solution for every budget: from the lean basic stand right through to the high-quality, extravagant variant.
- Our models are tailored to requirements, popular and rebooked.
- Rental system stands are economical and make for planning security.
- Due to the reusability of many materials, our rental system stands are characterized by minimal CO_2 emissions. NEW: Less residual material due to even more recyclable components!
- On request, you can customize the stands to your needs with additional equipment or graphics.
- You benefit from the expertise of Deutsche Messe and its service partners.

We will gladly advise you!

Note: Electric power supply is not included in the scope of services of the modular stands, but must be ordered separately and is invoiced in addition. An electrical distribution box (for connections up to 3 kW), which is also required for the supply, is part of the basic fittings of the modular stands.

THE MODULAR STANDS AT A GLANCE
(including additional equipment)

Slim stand: from 65,00 €/m²
Lean stand structure – just the bare minimum

Type A stand: from 85,00 €/m²
Basic stand assembly for simple, straight-forward presentations at a budget price

Type B stand: from 119,00 €/m²
Modular stand system – the combination of modular ceiling sections and standard add-on elements offers plenty of scope for customized stand design
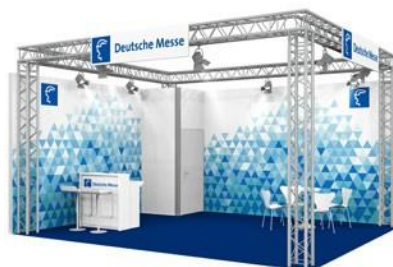

Type C stand: from 149,00 €/m²
Fresh new modular stand design, with large-format graphics available even in basic version

Type D stand: from 159,00 €/m²
Open and eye-catching design with an illuminated advertising tower (lit from the inside) topped off with your company's logo

Truss stand: from 151,90 €/m²
Truss-based system, can be used to construct a modular stand (with „Truss Upgrade") or as extension for any stand construction (from 42,90 €/m²)

Line stand: from 179,00 €/m²
High-grade, innovative modular stand system, featuring glass and textile design elements even in basic version (long-range visual impact)

Type "Exclusive": from 269,00 €/m² Premium stand construction with large-format illuminated walls for spectacular staging

Tip: Current specials such as „Color Explosion", design and stand construction upgrades can be found starting on page 34.

SLIM STAND

Minimum modular stand design with no ceiling construction, recommended for smaller stand sizes. Rental price for basic fittings, including assembly and dismantling: € 65.00 per m² and event.

BASIC FITTINGS

Carpeting (recyclable)
disposable off-the-roll cord carpeting, dark blue

Perimeter partition walls
to adjacent stands and/or hall walls, constructed of Octanorm elements, silver, with light grey infill panels, 250 cm high (free-standing walls that are more than 4 m in length require bracing by adding tower elements or support walls)

Tower elements
2 elements, each at open wall endings, dimensions approx. 40 x 100 cm, 300 cm high

Lettering
lettering on each tower infill section, approx. 35 x 95 cm, in Helvetica Bold (max. 15 letters)

1 electrical distribution box
for connections of up to 3 kW, with two integrated 230-V sockets (sockets in other locations subject to additional charge)

Attached sideboard
approx. 50 x 100 cm, 90 cm high, for storing electrical distribution box

Lighting
one LED spotlight per tower element

UPGRADE MODULAR STANDS:
THIS IS HOW MODERN STAND DESIGN GOES!

You like the idea of the reusable rental system stands, but you want a more interesting look for your stand to become an eye-catcher in the hall?

Then we have the solution for you: **the new, modern upgrades** turn the rental system stand into a design object with a personal touch!

You can also give your stand **even more individuality** with a wide range of additional equipment.

TYPE SLIM – LIGHTED DESIGN UPGRADE

Small stand, vibrant effect
699.00 €*
the upper panels of two tower elements – each on free wall ends – include a backlit digital print or logo. This turns even the smallest stand into an eyecatcher.

The upgrade includes the following services
Two tower panels, backlit with a digital print/logo, about 35 x 95 cm

Please note
The price includes the tower's white **lower backlit panels** (approx. 100 x 250 cm). If desired, this can be designed in colour or with a digital print. We would be happy to quote a price to you.

Modular stand type Slim +
Upgrade Lighted

TYPE A – STRONG STAND DESIGN

For a robust presentation
329.00 €*
Adding two modular luminescent columns on the free wall ends makes your stand look bigger and more robust. Moreover, the backlighting exudes a pleasant ambiance.

The upgrade includes the following services
Two 300 cm Maxima modular luminescent columns, Plexiglas on one side, choice of colors

Placement
on the free wall ends along the aisle

* Fixed price, regardless of stand size

Modular stand type A +
Upgrade Strong

# TYPE C – CAB STAND DESIGN

For more space
419.00 €**

Our **Cab Stand Design Upgrade** creates a more open look and atmosphere at your stand. We replace the Type C modular tower with a higher cubicle front that conveys the feeling of a much bigger stand and lots of space for your exhibits!

The upgrade includes the following services

- A 350 cm high cubicle front

- Additional wall elements and grooved textile supports for a seamless fabric covering (recyclable product)

- Two extra, long-arm spotlights

- Full-frame graphics on fabric for stand advertisements*

- 2.4 x 3.5 m for 79 sqm stands

- 4 x 3.5 m for 80–100 sqm stands

* Includes a digital print (you must supply a print-ready data file at least 6 weeks before the event starts)

** Fixed price, regardless of stand size

* Includes a digital print (you must deliver a print-ready data file at least 6 weeks before the event starts)

** Price: fixed surcharge per stand; the design upgrade is matched to the standard furnishings for the particular stand size

Modular stand type C + Design Upgrade Hygge
with additional chargeable equipment

TYPE C – URBAN STAND DESIGN UPGRADE

Industrial Style
Ab 879,00 €**

Our **"Urban" design upgrade** exudes a rough and stylish look – with industrial style, eye-catching furniture and four kinds of graphics on recylable fabric. Moreover, higher walls behind the tower make the stand look even bigger. Best of all: this upgrade creates a unique stand.

Standard Type C stand without seating; latter is bookable with an upgrade

- Industrial style furniture (1 table, 4 chairs)
- 350 cm high walls behind the tower
- Graphics on fabric (recyclable) with an urban appearance in the seating area (140 cm wide x 350 cm high)
- Eye-catching graphics on fabric (recylable) with an urban appear- ance and your logo (100 cm wide x 250 cm high)*
- Modular tower with an urban appearance and your logo (140 wide x 350 cm high)*
- Lighting with a shade for extra ambiance, hung from the modular tower

Select the texture of your graphics on fabric
Option 1: brick wall appearance
Option 2: brick wall appearance, gray
Option 3: concrete appearance
Option 4: diamond sheet appearance

Add an individual touch to your stand
Enhance your stand with an upgrade that includes a PVC floor in various finishes and industrial style furniture. For details, please visit the section "Additional fittings for modular stand type C" and see "Urban".

* Includes a digital print (you must deliver a print-ready data file at least 6 weeks before the event starts)

** Price: fixed surcharge per stand; the design upgrade is matched to the standard furnishings for the particular stand size
