1. Recap of IAA Conference 2024

We delivered

The IAA Conference 2024 was the largest and most successful ever held at an IAA TRANSPORTATION.

Numerous CEOs from all major commercial vehicle sectors — from **manufacturers to suppliers, body and trailer specialists,** and leading **tech companies** — presented and discussed their visions for the future of the transport industry.

Politicians and associations from across Europe made extensive use of the Main Stage to exchange views with industry leaders on regulatory topics.

Experts from around the world showcased the technological progress achieved by their companies and partners.

IAA Conference 2024 in numbers

- › Over 5,000 attendees
- › More than 200 speakers
- › Across 75 conference sessions
- › On 3 stages (XS, M & L)
